AAHC Health & Safety Protocol

All AAHC in-person meetings require that all participants wear masks and provide proof of COVID-19 vaccination. Health and safety measures for in-person AAHC meetings and events are subject to change and updates will be reflected on this page.

For all in-person AAHC meetings and events, **registrants will be required to bring a government-issued photo ID and proof of vaccination.** Registrants will be notified of specific health and safety measures closer to the event date. Noncompliance will result in removal from the event without a refund.

Health and safety measures may include but are not limited to:

- Proof of COVID-19 vaccination
- Mask wearing onsite in meeting space
- Enhanced sanitization of meeting space
- Hand sanitizing stations throughout the meeting space
- Changes to meeting format
- Cancellation of the event

Providing Proof of Vaccination

AAHC is committed to reducing the spread of COVID-19 and is taking important steps to maintain a safe meeting environment for our attendees.

IMPORTANT NOTE: Attendees cannot access the AAHC meeting space unless proof of COVID-19 vaccination documentation is reviewed upon arrival.
