Founded in 1969, the Association of Academic Health Centers (AAHC) is a 501(c)(3) non-profit organization that advances health and well-being through the vigorous leadership of academic health centers.

Members are university-based health centers with a mission to improve health and well-being in their communities and around the world.

1. EDUCATION: training the next generation of health professionals
2. DISCOVERY: innovating through biomedical research
3. PATIENT CARE: providing comprehensive, primary and advanced specialty care
